## TRACEABILITY SOLUTIONS:

### Food Track and Trace

# End-to-End Track and Trace Solutions

VISIOTT provides end-to-end track and trace solutions that comply with food regulations such as USA's FSMA and Russia's CRPT for brand and product reliability

VISIOTT uses GSI standards for food  
Serialization and Aggregation  
operations. In this way, each product is  
uniquely identified throughout the  
whole supply chain process.

	GTIN :	(01)08681986060015
	S/N :	(21)100500001
	PRD :	(17)200101
	EXP :	(17)250101
	LOT :	(10)TAT001
