You are invited to meet us on 28-30 September 2021 at FACHPACK 2021 where we will showcase our **ALL-IN-ONE** traceability solutions. At the event, you will have the chance to know more about **AGGREGATION**, which is the next step after serialization. Moreover, you will also learn how it leverages your overall traceability process and why the increasing number of countries are making it compulsory.

With over 10 years of experience and more than 600 track and trace projects, we are the leading provider of software and hardware solutions for serialization and aggregation all around the world. Our solutions comply with all the global regulations such as EU-FMD, DSCSA, SNCM, MDLP, NDOH, ITS, and EPTTS.

Come and witness our systems:

- **ISSTE-100** Carton Serialization Station With Tamper-evident Labeling
- **VBL-100** Vial Labeling and Serialization Station
- **BLS-100** Bottle Labeling and Serialization Station
- **SMAS-100** Semi-Automatic Aggregation Station
- **PCW-100** Pharmaceutical Checkweigher Station
